Hi Conrad!

We would love for Redbud to be represented at the golf tournament - however I have not made an ask because we are fundraising for our "Area of Greatest Need" this year. So, there is not a guarantee that funding will stay in the south side area with us serving all of Lake County.

We are planning to make a major ask specific to the south side area this summer that we believe your board would be very interested in supporting.

In the meantime, if your board members are wishing to support and play in the tournament, here is the link to register: [Golf Tournament | Adventist Health Clear Lake](#)

If you like, we can always have your specific golf grant go towards something directly at the hospital?

Subject: Golf Tournament

Hi Faith, Lamont would like to get at least 1 or maybe 2 foursomes for the golf tournament. Our Meeting is on the 28th.

Maybe we can do a paid direct and avoid the months long grant process? What do you think? What is the beneficiary project?

Best,
